PARENTS: VERY IMPORTANT CHANGES IN OUR HANDBOOK FOR NEXT YEAR (2012-13)

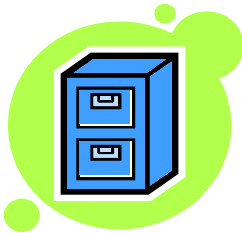

UNEXCUSED ABSENCE

A student is assigned an unexcused absence when it is determined that the student missed school for no legitimate reason, according to the Mt. Vernon Community School Corporation Board of Education policy dealing with attendance. Additionally, students will receive an unexcused absence if a parent has not contacted the school or provided a written medical excuse to state a legitimate absence.

AS PER SCHOOL BOARD POLICY, UNEXCUSED ABSENCES will result in 2% deducted from the 9-weeks grade for each day missed in all academic subjects. In the case of a partial unexcused day, 2% will be deducted from the 9-weeks grade for each academic subject (or part of) missed. At 6 days of unexcused absences, a warning letter will be sent out. If a student has more than 10 days of unexcused absences, they may have their situation referred to the Hancock County Probation department for possible legal action. Recommendation for expulsion could occur and grade retention may occur for the following school year.

TARDINESS

In order to achieve our goal of "Excellence in Education" we continue to stress good attendance habits. Students need to be in their classrooms by 7:45 a.m. or they will be counted tardy. A tardy is equal to any time away from school less than a ½ day. This means arriving after 7:45 a.m. or leaving before 2:00 p.m. Children who arrive tardy should stop at the office and their parents should sign them in before going to class. Children who arrive on late buses are not counted tardy. Multiple tardies may result in a consequence to be determined by the principal. When a student receives his/her fourth tardy in a nine weeks period, he/she will be assigned a detention. Continuous tardies may result in a consequence determined by the principal such as Saturday School or In School Suspension. **More than 8 unexcused tardies are considered excessive.**

FROM MR. DENBO'S FILES

MOST NOMINATIONS IN THE JAR

The classroom with the most nominations in the jar was Mrs. Schuyler's fifth grade class.

Ms. Chaplin's third grade class received the ice cream party.

SUMMER SWIM PRACTICE AT MVHS

MVHS is offering summer competitive swim practice this year. Students must be able to swim 25 yards freestyle to participate. This is not swimming lessons. They can come to work on stroke technique and training for competitive swimming. Practice times for elementary students will be 6-7pm, Mon.-Thurs.

This will begin May 29th and run until July 12th. There is no cost to students for participating, however, students must understand this is to develop the competitive swimmer. This is structured training. We do reserve the right to exclude a student if they cannot meet the requirements. For more information or questions please contact Mrs. Logan at 425-3100 before the end of school.

FALL ENROLLMENT (2012-2013)

It is very helpful for school preparations at MES to have information now about our students. If you are new to the community and need to enroll a student for next school year, please do so NOW. Please bring with you a proof of residency (utility bill), immunization record, and a birth certificate. If your student is NOT returning to MES next year we would like to know that as well. This information helps us prepare more thoroughly for the upcoming year. Thanks!
