SUMMER SWIM TRAINING - COACH LOGAN

We are offering summer competitive swim practice at MVMS. Students must be able to swim 25 yards freestyle to participate. This is not swimming lessons. They can come to work on stroke technique and training for

competitive swimming. Practice times for elementary students will be 6-7 P.M., Mon.-Thurs. This will begin May 29th and run until July 12th. There is no cost to students for participating, however, students must understand this is to

develop the competitive swimmer. This is structured training. We do reserve the right to exclude a student if they cannot meet the requirements. Please contact Mrs. Logan at emily.logan@mvcsc.k12.in.us or 485-3160.

SUMMER ART CLASSES

You won't want to miss out on these upcoming opportunities to grow your art

skills! Check out the Art Venture website: www.indyartventure.com

or email Mrs. Green at mrsgreenart@gmail.com for more details.

MEDICATION

It's that time of year again... Spring Cleaning in the Health Room! If you have sent medication to school for your student,

please make arrangements to pick it up to take home. All medications left in the Health Room are destroyed at

the end of each school year. We will be open and ready to accept new medications with consent forms on July 31st.

FES THANKS OUR PTO

We have had a *lot* of transitions here at FES this school year. But one thing that remained constant was the ongoing support of our PTO. We are greatly appreciative of all the support and encouragement of our

students and staff. From fundraising, to fun activities, to last-minute cookie runs, we feel fortunate to have such a strong and well-lead group backing us up all along the way. *Thanks again to the FES PTO!*

PARENT POWER

Help your child learn to use humor to combat teasing. When a classmate says something mean, saying something goofy can often defuse the tension.
